The authors regret that the Acknowledgments section was incomplete in this article. The correct Acknowledgment section is presented below. The authors would like to apologize for any inconvenience caused.

Acknowledgments

The authors acknowledge the financing through project FP7 NMP3-SL-2009-229239 "Regeneration of Cardiac Tissue Assisted by Bioactive Implants" (RECATABI). MAP acknowledges the Spanish Ministry of Education for its support through grant FPU AP2009-1870.
